

# pushTAN: Adding a new device

[www.sskm.de/pushtan](http://www.sskm.de/pushtan)

Stadtparkasse  
München

If you have a new smartphone, you can set it up in just a few steps in the S-pushTAN app and connect it to your online banking. Important: To use this setup path, you need access to your existing S-pushTAN app. If it is no longer available, please use the instructions "pushTAN initial setup". This guide also applies to adding another device (maximum 5) to the device group.

**1** Enter the password for your S-pushTAN-App or use the Face ID.

**2** Click on „Verbindungen“.

**3** Select the existing pushTAN connection of the Stadtparkasse München.

**4** Next, click on „Neues Gerät hinzufügen“.

**5** Please follow the instructions and allow the Bluetooth connection on both devices. Then click on „Weiter“.

**6** Please click on „Neuen QR-Code erstellen“.

**7** Now allow the access to your camera to scan the QR-Code.

**8** Next, enter the access data for your Online-Banking.

**9** Your pushTAN connection has now been successfully set up! Please click on "Fertig".
